

How to Run a MAP in MyMav

You can run a What If MAP in MyMav by following the path of Academic Advisement >> Student Advisement>> Request Advisement Report

Click Add a New Value

Enter the student's ID number and the report type MAP

Click Add

A screenshot of the "Request Advisement Report" form. At the top is the title "Request Advisement Report". Below it are two buttons: "Find an Existing Value" and "Add a New Value". The "Add a New Value" button is active. The form contains three input fields: "ID:" with the value "100", "Academic Institution:" with the value "UTARL", and "Report Type:" with the value "MAP". Each input field has a magnifying glass icon to its right. Below the input fields is a yellow "Add" button. At the bottom of the form, there is a link that says "Find an Existing Value | Add a New Value".

On the next screen, click Process Request.

Report Request

Report Request Log

Report Request | Report Request Log

The next screen gives you the option to view the sections of the MAP individually, or all at the same time.

To view all the requirements at once, click Expand All.

If you would rather see the MAP as a PDF, click view report as pdf.

If you need to send the MAP via email or print it out, view it as a PDF and then either save it or print it as needed.
