

Regarding Deadline Extension Requests  
Pertaining to the Posted Final Master's Exam/Thesis/Dissertation Deadlines

Students should adhere to the deadlines posted at <http://www.uta.edu/records/graduation/deadlines.php> whenever possible.

In the case that a student needs an extension to a specific deadline, the department should decide what extension is appropriate and then communicate the information to the Graduation Counselor for Graduate Students in the Office of Records via [gradteam@uta.edu](mailto:gradteam@uta.edu).

The latest date a student has to finish all degree requirements in their entirety is the same date listed as the Deadline to Submit Transfer Coursework as seen on the aforementioned deadline page.
