

The College of Business at The University of Texas at Arlington plays an essential role in providing an outstanding educational experience to the next generation of business leaders in the DFW Metroplex, one of the nation's most vital economic centers.

With an **enrollment of approximately 6,400**, the college offers a **full range of business degrees, certificates, and programs** in everything from accounting to business analytics to supply chain management. Through internships, study abroad opportunities, mentoring, and hands-on experience using state-of-the-art facilities such as the Sam Mahrouq Financial Markets Lab, students get **valuable and practical experience** that prepares them for success in their field.

The college features **a number of academic and research programs for students to hone their skills**, including the Goolsby Leadership Academy Emerging Leader program, the BNSF Early Leader program, and the RISE (Resilience, Integrity, Selflessness, Excellence) Academy. For community and industry partners, the Center for Innovation and Digital Transformation provides a bridge between businesses and digital innovation, while the Veterans Business Outreach Center provides collaborative, hands-on, interactive learning opportunities for veteran entrepreneurs.
